

Save the Whales, Save the World

'O Sea Monarchs,
Largest living mammalian
Carbon pool,
Keystone species
Twenty-two per centers,
Glorious ocean stowagers!

Stirling whales,
Shepherds of Seas
Marine fertilisers
Fisheries maintainers
Phytoplankton carers,
Oxygen makers!

European money-counters
Took note,
Thirty-three tons
Or much more
Each whale depository,
One trillion living dollars,
"Protect 'em ALL!"
Sayeth they.

Cruel Sean Hannity
LNG* tanker promoter
Marine shepherd loather
Teller of FOX hatred
Mother terrifier,
Evil dinky enabler!

Out spirits overrun,
Can't
Overrun our spirits!
Whale cherishers
Fearless Climate Gen
Accrescent defenders,
All Hail
World rescuing
Wonderful whales!
