

ExxonMobil Shatters Rare Deep-Sea Whales

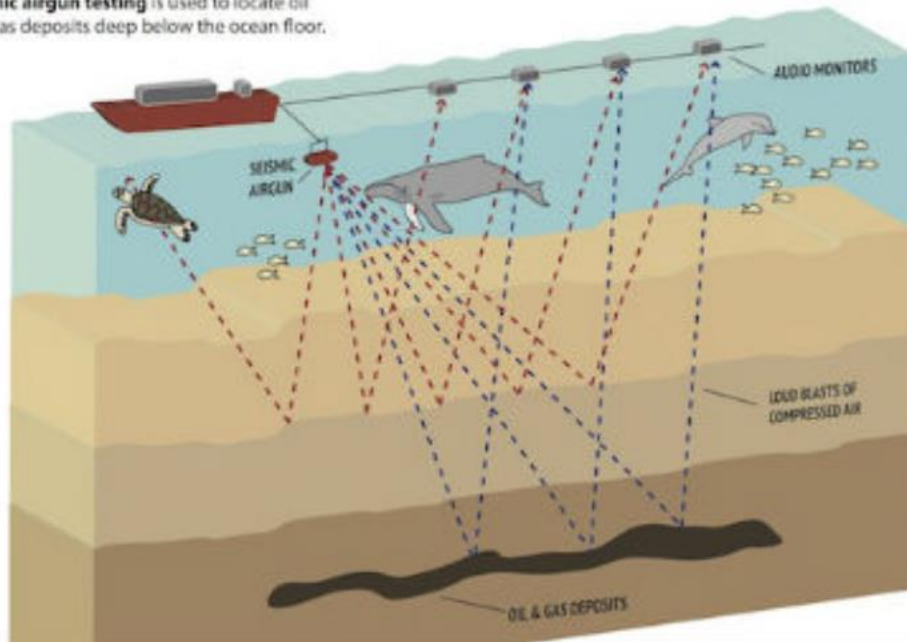

ExxonMobil,
Fifty-six billion
Mother Earth blood-dollars,
Twenty twenty-two.
"Name your price?
More!"

Cuvier's beaked,
Champion divers
Three deep kilometres,
Trench explorers,
Forty-seven kinds
Squid predilections!

Torpedo-shaped whales,
Dark panda-like eye rings,
Tann'd youngsters,
Whiten'd aging,
Like people.
Earthly roamers
Rarely glimps'd!

Seismic airgun testing is used to locate oil and gas deposits deep below the ocean floor.

This graphic shows how seismic airgun testing is used to locate oil and gas deposits deep below the ocean floor.

Mediterranean fracking,
Sixty-five hundred
Endlessly deafening
Sea kilometres
Fossicking gas,
ExxonMobil's
Exterminating explosions!

Terrifying blasts,
Blind panics,
Meteoric risers,
Bloody barotraumas,
Excruciating nitrogen overdoses
Twelve cherish'd Cuvier's
Northwest Cyprus coast,
February
Twenty twenty-three,
Stranded
Helpless
Lifeless!

ExxonMobil Corp, CEO Darren Woods

Wickedly grinn'd
Subsidised CEO
XOM Darren Woods,
Oily extinction-maker,
Age of Agony,
Watch out Mars!
