

Idaho's Brutal Bully Boys

Least regulated state
Bloodbathed galore,
Mother Earth loathers,
Another eight hundred
Wondrous wolves,
Cruel cowardly crosshairs!

All-terrain vehicles
Snow mobiles
Dirt spiked-bikes,
Subsidised shockers,
Evil serial murderers!

Sentient, smart, social
Astonishing apex canines,
Incomparable wolves:
Forest river keepers
Carbon storehouse guardians
Climate solvers,
Evolutionary partners!

(Brad Little, Idaho Gov.)

Idaho governor
Brad Little,
Soul saved?

Most diminish'd
Imaginable soul!
