

Styx Valley Giants

Imperial Tredom,
Goliath swamp gums!
Styx Valley Tasmania.
Twenty thirteen,
Final few giants,
Axe spared,
Forest Peace Deal.

Eighty-six-metre,
Big Tree,
Eighty-seven-metre,
Bigger Tree,
Two Towers,
The classic mature.
Gothmog,
Sensational stingybark,
Ultra-tall,
Firebird Wonder,
Absolutely massive,
Damocles,
Ninety-two point nine metres!

Twenty twenty-two,
Peace Deal breached,
Razing Styx Treedom,
Chainsaws caterwauling,
Aargh!

Illegal plundering!
Excellent sleuthing,
Bob Brown Foundation,
(Saint Bob's clan).
Since nineteen eighty-five,
Head Forest Officer,
Direct rewarding,
Loggers enriched,
Gigantics chipped for pellets,
Stoking global heating,
Defenders jailed.

Royal Commission,
Bring it on!
Pro tempore,
Unpermitted wreckage,
Halt native logging!

For thirty-seven years,
Tasmanian governments,
Greenlit illicit felling,
Destroying breathing basilicas,
Precious carbon wildlife havens,
Squandering billions,
Taxpayer's dollars.
Bloody criminal!

Forest Minister,
Guy Barnett,
Egg on his face.
Forest defenders,
Upholding law!
Repatriation.
