

Vicious Venom, Take That Cancer!

Buzzin' beauties
Responders, recollectors
Thrifty tool-makers
Meticulous mathematicians
Solar seekers,
Noteworthy navigators!

Earthlings alike,
Caffeine cravers
Quorum seekers
Vigilant voters
Determin'd dancers
Snoozers, dreamers
Thrill seekers,
Pessimistic infrequenters!

Hurrah! Honeybee venom,
Secret ingredient
Mighty melittin,
Positively charged
Badass building
Protein powerfulness,
Wondrous wrecking ball!

Antitumoral axe:
Melanoma, glioblastoma
Non-small-cell-lung
Leukaemia, cervical
Ovarian, breast, pancreatic
Cancers,
Bee damn'd!

Melittin mallet,
Cell membrane
Cancer crippler,
Sixty minutes!
Melittin messenger
Signal desensitiser,
Malignant daughter cells
Undone,
Twelve hundred seconds!

Listen up
World leaders,
Climate Gen sayeth:
"Forbid nerve poisons"
Save the honeybees,
Buzz off cancer!
