

Deplorable Japan, Scott-Free Murdering Whales

Samaria brutes
Inflicting agony
Mercilessly murdering
Peaceful Gigantics,
Royal Majesties!

Tokyo terribles
Marketing maniacs
Hundred-year-old
Whale meat
Vending machines,
For all that
Miniscule citizenry appetite!

Twenty twenty-three,
Oceans toxic
Whales contaminated,

Subsidised whaling,
Cold stored
Stockpiled cetaceans,
Whale flesh foist'd
School Lunch Programme,
Spoonful by spoonful
Japanese Alpha Gen
Forever poison'd!

Shepherds of Sea
Flocculent fecal farmers

Oxygen-enablers
Fisheries fecunders
Colossal carbon keepers
Climate solvers,
Indispensable inhabitants!

Inglorious Prime Minister
Fumio Kishida,
Online shaming,
Refuse Nippon
Services
Goods
Tourism.

Hoy!
Ocean life-loathers,
World watching,
Terminate barbaric
Japanese Whale Wars
Right now,
Or Else
Take consequences!
