

# Big Oil's Bloody Agony

Ukraine invasion,  
Insane oiliness!  
BP, Shell, Chevron  
ExxonMobil, TotalEnergies,  
Two years pocket'd,  
Two hundred eighty-one billion  
Mother Earth blood-dollars.

Sayeth fuellers' CEOs,

“Not enough!”

Six forthcoming,  
(Seventy-two full moons)  
Quadrupling extractions,

**El Dorado!**

Thirty-one billion greasy  
Mother-ending barrels,  
Sixty-four unadulterated

Oil/gas fields,

Twenty-two countries,

One-third siphon offs:

Cyprus, Guyana

Namibia, Zimbabwe.

Complicit, corrupt

Silent, scientists.

Affairs in order,

Unsurvivable nine centigrade,

**Evil fossil-fuelling bastards!**

**Agitate. Disrupt. Defend.**
