

Imperial Oil, Healer Terminator

Water poisoners,
Albertan approach
Kearl Tar Sands,
Subsidised petroleum,
Leaking toxic tailing ponds,
Hideous ***Black Gold Fever***
Imperial (Exxon) Oil rules.

Drill baby drill,
Wildlife sweeps
Nah,
Bulldozed den,
Hibernating black bear
Impeding progress,
Sacrificial execution,
Shh, look the other way!
Good medicine
Courage
Strength
Healer
Protector,
Terminated.

Agonising Age accelerating!
